REMARKS

Claims 1-21 are currently pending in the application. By this Supplemental Amendment, claim 1 has been amended to show deletion of an element that was inadvertently not shown in Applicant's prior Amendment dated April 18, 2007. Applicant respectfully requests that the Examiner enter the above-noted amendment before the application is examined upon the merits, and that the claims be fully considered in conjunction with the remarks of Applicant's prior Amendment. Timely allowance of all currently pending claims and the issuance of a Notice of Allowance are requested.

The Applicant has filed this Supplemental Amendment without increasing the number of claims above the number previously submitted or paid for. If additional claim fees or any other fees associated with the filing of this paper are due at this time, please charge the fees to our Deposit Account No. 50-1349. Also, please credit any overpayments to Deposit Account No. 50-1349.

The Examiner is invited to contact the Applicant's undersigned representative via telephone if such would expedite prosecution of this application toward allowance.

Respectfully submitted,

Dated: April 23, 2007
